Dear colleague:

I am pleased to invite you to attend and participate in the 16<sup>th</sup> Annual European Kraskin Invitational Skeffington Symposium on Vision. As announced already at the meeting last year, the Symposium will be held on Saturday & Sunday, May 1<sup>st</sup> & 2<sup>nd</sup> - 2010 at:

Kobæk Strand Conference Center, Kobækvej 85, DK-4230 Skælskør, Denmark  
Phone: +45 58 19 45 15 E-Mail: [mail@kobaek-strand.dk](mailto:mail@kobaek-strand.dk) – Homepage: [www.kobaek-strand.dk](http://www.kobaek-strand.dk)  
Please go to this homepage to find a map of the location or take a virtual tour.

You are invited to prepare and present a paper on vision and/or visual training, clinical or theoretical, although this is not a necessary requisite for attendance. If you would like to present a paper, please let me know.

**Please send me the title and a short outline of your paper no later than the 6<sup>th</sup> of April. 2009.**

Papers does not have to be a presentation, they can also be a suggestions to new or old procedures, case presentation, presentation of a problem case, introduction to a debate.

A paper can be as short as 10 minutes. An interesting case presentation can sometimes call for a discussion lasting hours and lead to important Optometric insights.

You are also invited, if you don't have a paper this year – the symposium will always provide you with the newest insight into our profession.

There will be all necessary AV equipment available for your presentation including video-projection, so if you have your presentation on Power Point or similar programs, we can support you.

The Symposium will begin PROMPTLY with registration 9:00-9:30 Saturday, the first presentation at 9:30 and conclude no later than 12:00 Sunday followed by Lunch. Evening hours will be scheduled Saturday evening.

**Moderators: Steen Aalberg, FCOVD and Steen Saust, FCOVD**
